

Tryout Informational Statement Classic League Competitive Teams 2010/2011 Season

Commitment expectations & fee estimates:

- See additional document titled “Team Expectations and Fees” available on our club website (www.norskisoccerclub.org) under “registration”. This document will be available at tryouts as well.

Coaches:

- TBD based on teams formed. Coaches are all licensed and qualified for competitive level teams.

Regular Season:

- Traditionally, 8 league games in the fall and 8 in the spring.
- Dependent on MAYSA scheduling of games. Historically, most games have been played in Madison or nearby surrounding communities.
- Home games played at Windsor Sports Commons – Linde Fields.

League:

- Team expected to play in MAYSA’s Classic competitive soccer leagues.
- Dependent on team record and further assessment of team ability after completion of fall season the team may move up or down in the spring season if multiple Classic league levels exist.

Commitment:

- Players are expected to be in attendance for all scheduled practices. Excused absences acceptable. Unexcused absences may affect game playing time.
- Absences from practice due to participation in other sporting events, (i.e. football, volleyball, hockey, swimming, track, baseball) will be considered on an individual basis by the coaching staff. It may affect game playing time.
- See additional player expectation guidelines. “Team Expectations and Fees” document referenced earlier.

Parents:

- Expected to have their child at the practice field on time ready to practice.
- Expected to support their player, coach and officials.

Team Formation:

- It is NSC’s intention to form classic level teams at the U11-U14 age levels for both mixed and girls’ teams. This is dependent on having adequate numbers of players for each age level as well as appropriate skill level to successfully compete in the competitive leagues.
- Every effort will be made to place players on age and skill appropriate teams.

- Please be aware that just because there is a tryout, this does not guarantee there will be a team.

Tryout Fee:

- There is a \$10 non-refundable tryout fee per player to cover the cost of tryout expenses. This \$10 fee must be paid at check in on the tryout date.

Tryout Sessions:

- All try-outs will be held at Windsor Sports Commons – Linde Fields. Tryouts will be held on June 7 & 8 from 6-8 pm. Players are strongly encouraged to attend both days of tryouts.
- Each session will last approximately (2) hours.
- Players should arrive 30 minutes early each day to check in and warm up.
- Boys and girls will try out at the same time but at different fields. The players will be directed to the correct field after checking in.

Placement Offers:

- A limited number of players will receive a written offer to join a specific classic level competitive team.
- The offers will be provided in writing via email. Phone calls may also be used if needed.
- It is expected that offers will be made by the coaching director, a team coach or other club representative on or after June 14.
- Once an offer is made to a player to join the classic level team they are not required to immediately respond to the offer. All offers are valid for 48 hours from the time of the offer. Players can accept the offer within the 48 hour window. If a player does not accept the offer within the 48 hour timeframe, the offer may no longer be valid after the 48 hours depending on several factors including number of roster spots still available. So therefore, accepting an offer after the initial 48 hour timeframe may result in the original offer being no longer valid and the once available spot of that team's roster no longer being available.
- Players should accept or reject the offer made by responding in writing to the individual who extended the offer.
- Those players who are not offered a spot on the classic level competitive team(s) will be placed on a recreation level team provided enough players are available to create a viable team. These individuals should expect to receive communication on this decision on or after June 14.
