Expectations

- This soccer experience is intended to develop and refine soccer skills, soccer knowledge, speed and strength, team membership and sportsmanship in each girl in a fun yet focused environment.
- We will focus perfecting the basics. We will be the smartest team, the most technically sound team, and we will out hustle every opponent.
- We will challenge the girls to play at a high school level so they are prepared when they move on.
- Game playing time will be proportional to practice effort, technical proficiency, attitude, and contribution to the team concept.
