Recreational U15+ Leagues ('Small Sided') roster limits are 8 min/15 max.

6.6 Guest Player Roster Form

The Guest Player Roster form is for use by all teams using players from other club teams (not within the same club) for tournaments, other than the WI State Championships. The form allows a team to list up to eight guest players, subject to the rules of the tournament event. Guest Player Roster forms are available on the WYSA web site and must be submitted online with the appropriate fee.

**Regarding tournament play, see the tournament application for Guest Player(s) rules. Also note that not all tournaments permit Guest Players.
