

May 2010

Welcome to the 2010 MAYSA Cup! The MAYSA Cup is one of Madison's oldest and most wonderful soccer traditions. No doubt some of the coaches, parents and spectators at this event have their own fond memories of playing in it themselves at one time.

A special "thank you" must be extended to Middleton Sport & Fitness for sponsoring the 2010 MAYSA Cup. Year after year, their support helps MAYSA achieve its goals.

The MAYSA Cup emphasizes quality competition among teams, a spirit of community, the joy of participation in youth sports, positive & enthusiastic support from parents and fans and, above all, Fair Play.

As you spend time in and around Reddan Soccer Park, I hope you are able to enjoy not only the fantastic soccer, but also the natural beauty of the surrounding area. Just to the east of the park, in fact, is the Ice Age National Scenic Trail. It is a thousand-mile-long trail located entirely within Wisconsin. It is one of only eight National Scenic Trails in the United States.

On behalf of Reddan Soccer Park, the Madison Area Youth Soccer Association, and tournament staff, thank you for coming and HAVE FUN!

Chris Lay  
Tournament Director
