

MAYSA's Eighth Grade Over-Age Classic Player Policy

To provide an opportunity for competitive play for eighth graders who are older than the August 1 birth-year cutoff and thus not eligible for U14 competitive play nor high school play, MAYSA will create a U14-15 Classic division in spring for girls and in fall for mixed/boys. This will take the place of the U14 Classic division. *U15-age grade players who participate in this division must be eighth graders.*
