

Acquiring Referees

Assigning the Refs:

- U9 – U14 Recreational Leagues: All MAYSAs scheduled games will have the referees assigned by a licensed assignor. Assignors are independent contractors (like the referees) so each club has contracted with an assignor. Here is the list of licensed assignors in the area and the clubs they are associated with: <http://www.maysa.org/documents/RefAssignors.xls>.
- High School Small Sided, Classic and State Leagues: Teams in these divisions have their referees assigned by MAYSAs, based on availability.
