

## Player Registration

MAYSA has adapted the Wisconsin Youth Soccer Association By-laws, Rules, and Regulations on Player Registration which are as follows:

1. A player may be registered with only one youth USSF affiliated team at a time.
2. Once a player and a parent/guardian sign the individual player registration form and pay any portion of the club's registration fee, that player is considered registered. A club must offer to refund fees to the player or parent/guardian if a player(s) is asked to be rostered on a team other than the one he or she originally agreed to play for.
3. Players may be eligible for a scholarship from MAYSA through their soccer club. See [MAYSA's Financial Assistance Program](#) for details.
4. Once a player is registered and rostered (added to a team's official roster) that player is eligible to play.
