**A U15 team having a 22-Player roster may affect eligibility for State Championship/National Championship Series, according to current US Soccer Region 2 rules. Please contact the state if your team is planning to play in the State Championship before approving a 22-Player roster. (See clarification below.)

Otherwise, U15 - U19 teams may have 22 person rosters for play in MAYSA Leagues, however on game day, may only 'suit up' 18. Four players must be crossed off the game-day roster. For state and regional league rules pertaining to 22-Player Rosters, please see state website.
